## **Gang Related Activity**

Safety is of utmost importance at Roswell High School. The administration feels that any gang related activity at school represents a serious safety risk. Therefore, Roswell High School has adopted a zero-tolerance policy with regard to any and all gang related activity. Whether an act signifies or exhibits an individual's affiliation with, or representation of, a gang will be determined by the administration of the school on a case by case basis. The following guidelines serve as a representation of the general protocol that the administration of Roswell High School uses to determine whether a student's clothing, and to what extent, the student in question receives consequences appropriate to gang related activity.

Since gang related colors, clothing styles and other indicators, change from time to time, the administration of Roswell High School will update these guidelines as necessary. If a student's clothing, possessions, appearance, or activities meet two or

more of the criteria, the student will be in violation of the Code of Conduct and will be assigned appropriate consequences as determined jointly by the Code of Conduct and administration. More indicators will generally increase the severity of the consequences.

### **Bus Transportation**

Student transportation is a privilege to students who are eligible for transportation pursuant to State Statutes 22-16-2 and 22-16-4, N.M.S.A, 1978. The completed form is to be returned to the Registrar. **Requests to change teachers or lunch hours will not be honored.** You are required to follow your assigned class schedule. Students who are not in their assigned class when requested by their academic supervisor will no longer be considered for class changes regardless of the reason for the request.

**Extracurricular** activities are school sponsored activities, not required by law or the Educational Standards for New Mexico Schools which have practice, meetings, events, performances, or interscholastic competition.

Implementation of the Public School Reform Act precludes using school time for practice, meetings and events.

Extracurricular activities provide worthwhile contributions to student growth and development. ## Requirements for Participation

\*Late work will be graded according to the teacher once turned in; the grade will start at a 70% and be docked from there.

2. Upon your return to school and if the school has not been contacted, bring a written note signed by your parent/guardian to the school office before school begins on the day following the absence. A note from your doctor or dentist is also acceptable.
3. Students who are absent from school are responsible for collecting missed assignments on the first day following the absence and submitting make-up work in no more than twice the number of days missed.

- Students absent five or more consecutive days must produce medical verification upon returning to school.

Absences(s) will be recorded using the following: Absences for confirmed medical reasons, confirmed family funerals, school sponsored activities, administrative excused (principal/guidance/nurse, etc) legal appointments will not accumulate toward a non-credit status. As part of our effort to communicate and cooperate with parents, we will attempt to report all absences of students to parents with an automated call between the hours of 6:00 and 9:00 p.m. daily.

Any student who receives a call and they were not absent should check with the attendance office immediately. Please see the school board policy concerning attendance. PARENTS SHOULD CONTACT THE SCHOOL FOR ALL ABSENCES WITHIN 24 HOURS OF THE ABSENCE. Parents may contact the school during regular school hours or leave a message on the answering machine after school hours. Students absent for the equivalent of ten (10) consecutive days may be dropped from the class rolls and have to go through the registration procedure to be readmitted.

\*Four days per semester of excused absences, in addition to the number of allowed absences for all students shall be permitted for students who provide

appropriate documentation of pregnancy or that the student is the parent of a child under the age of thirteen needing care (see cross referenced board policies: IHBF, IKEA, JE, and JHB found on the district web site).

\*Additionally, the pregnant or parenting student shall be allowed at least a time period to make up the work the student missed that equals the number of days the student was absent.
